CIRCULAR

All the first year B.Tech students and faculty are hereby informed that AVNIET has teamed up with "Edwisely AI-Personalized Learning Application for Engineering" to guide the students towards better learning in this lockdown period. There are a lot of learning resources in that application for the students, and assisgnments can be given by the faculty to assess the students online. Online classes can also be conducted securely via the same app. All the first year students and the faculty dealing with first year students have to install the below mentioned application (different for faculty and students) which is available for Android and IOS.

1. For 1st B.Tech Students: **Edwisely - Accelerated Learning Platform**
2. For Faculty dealing with 1st B.Tech Students: **Edwisely - College Educator**

It is MANDATORY for the students and faculty of 1st B.Tech to install and perform the learning activity via this app along with scheduled online classes, with immediate effect. Students' mobile number available in college records is required to login. An installation invite will be sent by Edwisely to the same number. For further support or change of mobile number contact Mr. Syed Moinuddin, Asst. Professor in EEE, at Ph no 9885978690.
