(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2019 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Your offer

Your offer is **unconditional**.

English language requirement

If your offer has an English language condition included, this is expressed as an IELTS requirement. If you do not have the required IELTS for entry, our Pre-sessional courses can help you to achieve this level.

Whilst we will accept tests of English other than IELTS, providing they are at the correct level for entry, if you are intending to undertake an IELTS we would recommend that you undertake one of the new UKVI Secure English Language Test (SELT) Academic IELTS or Trinity College Tests of English (UK only) – in light of recent changes made by the Home Office to English language provision.

Should you not meet the English language requirements for the course and need to undertake a pre-sessional English course we will be unable to accept any other English test providers as evidence of your English language ability for entry to the pre-sessional course.

Please visit the Home Office website for details of approved test centres where you may undertake one of the new style SELT IELTS.

Visa

You will have to obtain a visa to study in the UK before you can take up your place. For further information, please visit our website.

Before you can apply for a visa, we have to issue you with a Certificate of Acceptance for Studies (CAS). We can only do so if you meet certain criteria, which are set out in our **Codes of Practice** document, included with this offer, relating to our sponsorship of International students. Please read the **Codes of Practice** carefully as it will apply to you if you accept this offer. Please note in particular that we reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted this offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at the University.

By requesting a CAS, you are confirming that you are fully aware of your responsibility to abide by the conditions of your Tier 4 visa, should a CAS be issued to you. This includes not exceeding working hour restrictions as stated on your visa/BRP, registering with the police (if applicable) and also your obligation to leave the UK when your visa expires. Further details about your responsibilities as a Tier 4 student are available on the UKCISA website.

Your fees

Tuition fee 2019 £12650

The tuition fee for the 2019 academic year is set out above and is provided on the basis that you are an International student for fees purposes. If you are unsure or believe this is not the case, please contact us as soon as possible. Your fee status may be reassessed if you have provided any incorrect information.

For further information about your tuition fees, including when they may change and the circumstances in which they may change for future years of your course please see the Fees and Finance Policy which is

Your fees (continued)

sent with this offer. If we anticipate there will be any additional course specific costs (for example, specialist equipment, art supplies, laboratory overalls or contributions to field trips) these will be highlighted in the **About your course** factsheet which is also sent with this offer.

Please note that graduates of a University of Hertfordshire undergraduate degree (either in the UK or at a partner institution overseas) and who are starting a new postgraduate taught course at the university will receive a 20% reduction of fees. This will be reflected in the fees invoice.

Accepting this offer

We very much hope you choose to study with us, so the next step will be to formally accept this offer.

By accepting this offer, you are entering into a legal contract to study with the University of Hertfordshire, subject to you fulfilling the conditions (if any) of the offer.

To accept this offer, you must either pay a deposit of **£5000** (which will be offset against your first year tuition fee) or provide us with satisfactory evidence that your fees will be paid by a sponsor. The final deadline for the payment of deposits or receipt of evidence of sponsorship is 01/08/2020. If we have not received either by this date, this offer will be deemed to have been withdrawn. Please refer to section 2.10 of the Fees and Finance Policy for details of how the deposit (which contains a non-refundable element) may be paid or the evidence of sponsorship provided.

If you accept this offer, we will acknowledge receipt as soon as reasonably possible.

There is more information about the contract in the **Key Facts** document sent with this letter, so do please read it carefully (as well as the other accompanying documents) before accepting our offer.

If on our part there are any conditions which have to be met before we can guarantee to run the course, these will also be set out in the **About your course** factsheet.

Changing your mind

You have a legal right to change your mind about accepting this offer within 14 days of doing so. Further information about this right, and how to exercise it, can be found in Section 23 of our **Key Facts** document sent with this offer.

Dear Shirisha Laxmi

Congratulations on being accepted into Griffith University. It gives me great pleasure to extend to you an invitation to study the following program(s):

Master of Civil Engineering Advanced

At Griffith we believe in, strive for and celebrate the remarkable. Our vision is to engage in remarkable scholarship and research that contributes significantly to society. Griffith is ranked among the top 3% of universities and the top 50 universities under 50-years-old worldwide. In the forty years since our first campus opened, our student body has increased from 451 students, to more than 50,000 students from over 150 countries.

Griffith is where the remarkable happens, as we have never lost sight of our progressive beginnings. Pushing boundaries in many fields means our success stories—from students to research and alumni—span breakthroughs in science to entrepreneurs and start-up triumphs. Notably, Professor Emeritus Alan Mackay-Sim, who has given hope to thousands of people around the world with spinal cord injuries, was awarded 2017 Australian of the Year.

Having been an international student myself, I am well aware of the significance of your decision. I knew the life-changing impact studying and living in another country can have. It is important to us that you feel supported and secure both in your choice of university, and during the application process. If you have any questions at all about accepting your offer or study at Griffith, please contact your Admissions Officer.

I do want to take this opportunity to congratulate you and wish you success in your chosen education path.
