The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,  
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard  
M<sub>q</sub> is the qualifying marks for general category candidate in the paper  
M̄<sub>t</sub> is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)  
S<sub>q</sub> = 350, is the score assigned to M<sub>q</sub>  
S<sub>t</sub> = 900, is the score assigned to M̄<sub>t</sub>

In the GATE 2019 score formula, M<sub>q</sub> is 25 marks (out of 100) or μ + σ, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Dear Shishia Laxmi

Congratulations on being accepted into Griffith University. It gives me great pleasure to extend to you an invitation to study the following program(s).

**Master of Civil Engineering Advanced**

At Griffith we believe in, strive for and celebrate the remarkable. Our vision is to engage in remarkable scholarship and research that contributes significantly to society. Griffith is ranked among the top 3% of universities and the top 50 universities under 50-years-old worldwide. In the forty years since our first campus opened, our student body has increased from 451 students to more than 50,000 students from over 130 countries.

Griffith is where the remarkable happens, as we have never lost sight of our progressive beginnings. Pushing boundaries in many fields means our success stories—from students to research and alumni—span breakthroughs in science to entrepreneurs and start-up triumphs. Notably, Professor emeritus Alan Mackay-Sim, who has given hope to thousands of people around the world with spinal cord injuries, was awarded 2017 Australian of the Year.

Having been an international student myself, I am well aware of the significance of your decision. I know the life-changing impact studying and living in another country can have. It is my goal to be that you feel supported and secure both in your choice of university and during the application process. If you have any questions at all about accepting your offer of study at Griffith please contact your Admissions Office.

I do want to take this opportunity to congratulate you and wish you success in your chosen education path.
