**Process used to identify the Curriculum Gaps & Actions Taken**

➢ The University Curriculum has analyzed by the course coordinators & team for identifying the curriculum gaps by considering the feedback from the internal stake holders with respect to

- Regulation to Regulation
- Pre-requisite Course
- Previous units within the Course
- Previous content within the Unit

➢ Subject wise gaps have been identified and listed. Then these curriculum gaps are reviewed by the DAC (Department Assessment Committee) and passed to PAC(program Assessment Committee) with its remarks.

➢ The PAC finally reviewed the curriculum gaps and send the compliance report to the university.

Process to identify Curriculum Gaps
