Dated: December, 2021

CERTIFICATE

This is to certify that Mr. K. RAJESH (HT NO. 195U5A0317)
students of AVN Institute of Engineering and Technology, Ibrahimpatnam,
has undergone with one month Internship Training programme
from 11th Oct, 2021 to 11th Nov 2021

On

"DESIGN AND ANALYSIS OF TEST RIG FOR MISSILE TESTING"

At

**Defence Research & Development Laboratory (DRDL),
Kanchanbagh, Hyderabad.**

In partial fulfilment for the award of
Degree of 'Bachelor of Technology'

in

Mechanical Engineering

During his internship period for one month, he was found to be sincere & hard
working. He also took keen interest in the learning about Structural testing.

Certificate

This is to certify that Mr. / Ms. Berulu Manohar Reddy
son/daughter of Mr. Berulu Siddha Reddy pursuing B.Tech in Mech. from
(College Name) AVN Institute of Engineering & Technology
Roll No. 185U5A0308 has successfully completed the Internship Program
entitled/in the area of CNC Wire Electric Discharge Machine (WEDM) Programming & Operation
under
our guidance. It is a bonafide work carried out by her/him from 04/10/2021 to 03/11/2021
He/She has completed the assigned module as per the requirements within the time frame
During the above period, the trainee's conduct was found Good

REPORT ON INDUSTRIAL VISIT

Students of department of electronics and communication engineering went to various companies to enrich the practical experience

Academic year: 2021-2022

Place: Hyderabad

Date: 20th June 2022

Faculty coordinators: Mr. M. Ramesh

Ms. K. Ramya

Organization: ISRO NRSC

- The Department of Electronics and Communication Engineering of AVNIET, Hyderabad. In active association with National Remote Sensing Centre (NRSC), Hyderabad, on 20th June 2022 conducted a one-day industrial tour for the benefit of engineering students.
- Accompanied by the college faculty, students had a rewarding and enriching experience during of trip to NRSC.
- Students had a detailed understanding of NRSC's exploratory studies on weather and climate, monitoring and supervision of natural resource.
- The students have cooperated very well from the starting of the trip to the ending of the trip. It was started with seminar about the satellites and communication between the satellites from the organization of ISRO.
- After this, it was followed by visiting the campus and they even exhibited the demo satellites of ISRO. And explained about the parts of the satellites and functioning of satellites.
- Students were very happy about the educational trip and requested to organize more industrial visits like NRSC.

Letter of Intent ("LOI")

Dear Sunkara Sai Kumar,

With reference to your interview conducted by us, we are pleased to inform that you have been shortlisted for the position of **Analyst and A4** with **Capgemini Technology Services India Limited** (hereinafter referred to as "Capgemini").

In this regard, we are proposing compensation package and benefits, the details of which are set forth in **Annexure 1** to this letter.

The final Employment Offer Letter shall be subject to your successful completion of all curricular requirements as laid down by the University/ Institute for award of the degree/ diploma and the minimum passing percentage/ grade/ rank/ class as determined by Capgemini.

The location of your initial reporting and training and the date of your joining would be communicated to you in due course of time post successful completion of your pre-joining trainings and final semester degree/ diploma examination.

The date of joining and the location of posting will be purely based on business requirements of Capgemini. Capgemini solely reserves the right to make any changes to the date of joining and the location of posting during the course of your training and employment with Capgemini.

Upon accepting this LOI, you will be provided access to the ADAPT (Accelerated Digital Aid for Pre-onboarding Talent) eLearning platform which allows you to learn and master the concepts and skills required to be industry ready. The learning will be a self-paced journey inclusive of assignments, assessments and webinars as deemed appropriate by Capgemini and the successful completion of the same is a prerequisite for joining Capgemini.

It is very essential that you effectively leverage this platform to complete the courses and clear the assignments and assessments. The progress made by you in this learning journey would not only help you in getting on-boarded on priority but also help you to be trained for advanced skills relevant to your career at Capgemini. We also encourage you to learn beyond the prescribed course curriculum and acquire industry recognized certifications to accelerate your career in this competitive industry.
