

AVN INSTITUTE OF ENGINEERING & TECHNOLOGY

AVN Institute of Engineering & Technology, an institution of academic excellence, was founded in the year 2009 by Mr.AVN Reddy. The institution is equipped with latest facilities and excellent infrastructure. The college has signed MoUs with research organizations and industries to promote closer interaction in the areas of technology development, student training, curriculum updation and establishment of state-of-art-centers of excellence. The mission of the institution is to provide world-class engineering education, foster research and development, evolve innovative applications of technology, encourage entrepreneurship and ultimately mould young men and women capable of assuming leadership of the society for the betterment of the country.

ABOUT THE DEPARTMENT

The Department of Civil Engineering was established in 2009 with a vision to become a centre of excellence in the field of Civil Engineering by providing conducive environment for applying and understanding its principles to cater the needs of society. Civil engineers use these core principles along with tools like AutoCAD to draft any civil engineering structure (2D, 3D) such as buildings, bridges, roads, drainage, pipeline, dams, intersection etc. with accuracy and speed.

ABOUT THE PROGRAMME

Auto-CAD is a commercial computer-aided design (CAD) and drafting software application. Developed and marketed by Autodesk, AutoCAD was first released in December 1982 as a desktop app running on microcomputers with internal graphics controllers.

AutoCAD is a computer-aided design (CAD) program used for 2-D and 3-D design and drafting. AutoCAD was initially derived from a program called Interact, which was written in a proprietary language. The first release of the software used only primitive entities such as polygons, circles, lines, arcs and text to construct complex objects. Later, it came to support custom objects through a C++ application programming interface. The modern version of the software includes a full set of tools for solid modeling and 3-D. AutoCAD also supports numerous application program interfaces for automation and customization.

COURSE FEE (Inclusive of Service Tax)

UG & PG Students : Rs. 500/-
Faculty from academic institution : Rs. 750/-
Industrial participants : Rs. 1000/-
The course fee includes course material, working lunch and refreshments.

No TA/ DA/ ACCOMMODATION will be provided.

REGISTRATION FORM

Workshop
on
"Auto-CAD (2D&3D)"
[March 25th, 2019]

Name: _____

Designation: _____

Department: _____

Name of the Institution: _____

Address: _____

Email: _____

Mobile: _____

Details of Registration

Amount: _____

DD No. & Date: _____

Bank: _____

Date: _____

Signature: _____

TOPICS

The Programme will focus on the following areas:

- Basic knowledge about Auto-CAD
- Advanced and regular Auto-CAD
- Auto-CAD is used for 2D & 3D design & drafting

RESOURCE PERSON

Ram Tech

ELIGIBILITY

Faculty members, Research Scholars and UG/PG students who wish to improve their teaching levels, can attend this program.

REGISTRATION DETAILS

The participants shall pay the Registration Fee through a Demand Draft drawn in favor of "AVNIET CIVIL", payable at Disukhnagar on or before 22-03-2019. The applicants shall send the filled up registration form and the demand draft to the following address.

Dr. S. Amaresh Babu
Professor

Department of Civil engineering
AVN Institute of Engineering & Technology
Koheda Road, M.P. Patelguda Post,
Ibrahimpatnam(M)
Ranga Reddy Dist – 501 510.

PRINCIPAL
Dr. Y. Eilam Raj
Principal, AVN Institute of Engineering & Technology

CONVENOR
Mr. Prof. Dr. MD.SUBHAN
Professor & Head
Department of Civil engineering, AVNIET

COORDINATOR
Mr. A. Upender
Assistant Professor
Department of Civil engineering, AVNIET

AVN Institute of Engineering &

Technology- 501510

Workshop

on

“AutoCAD “

25th March 2019

To

The Head of the Department,
Department of Civil Engineering

Dear Sir/Madam,

Sub: Invitation to participate in Workshop on “AutoCAD” - Reg.

I am very happy to inform you that Civil Engineering Department of AVN Institute of Engineering and Technology (AVNIET) proposes to conduct a Workshop on “Autocad” in the premises of the institution on 25th March 2019. This program is intended to strengthen the teaching levels.

In this connection, I request you to give wide publicity of this event by displaying the enclosed brochure in your department and by informing the P.G. Students & staff through the attached information brochure to encourage maximum participation of P.G students and staff.

Thanking You

Yours Sincerely

Prof. S. Amaresh Babu
